

NO/Prop61

Deceptive Rx Proposition

www.NoProp61.com

Prop 61 Full of Contradictory Inclusions and Exclusions that Make No Sense

Prop 61 only applies to a limited number of state drug purchasing programs, while excluding the vast majority of Californians. **And for the few programs it does cover, it could actually increase the cost of prescription drugs, limit patient access to medicines, and increase taxpayer costs.**

WHO'S IN: 12% of Californians

IN: 3.0 million
low-income patients
covered by Medi-Cal Fee for Service
